RE: **Case No. 06-1345-TP-ORD:** In the Matter of the Review of Chapter 4901:1-6,
Ohio Administrative Code
Response of **Value-Added Communications, Inc.** to Commission order issued
May 14, 2008

Dear Ms. Jenkins:

The original and seven (7) copies of this letter are submitted on behalf of Value-Added Communications, Inc. ("VAC") in response to the Commission's order issued in the above referenced proceeding. That order stated that all carriers listed in the appendix failed to file the required detariffing applications and therefore must do so by July 1, 2008 or face cancellation of their tariffs and certificates for non-compliance.

VAC is solely an inmate services provider, and does not offer any regulated nonresidential Tier 2 services or any regulated toll services. Nor are any such services contained their tariff on file with the Commission. VAC did not submit a detariffing application in April as all its services must remain tariffed pursuant to Commission rules

This letter hereby informs the Commission that VAC will not be submitting a detariffing application and the company respectfully requests that it be excused from this case.

Please acknowledge receipt of this filing by returning, date-stamped, the extra copy of this cover letter in the self-addressed, stamped envelope that is provided for this purpose.

Any questions you may have pertaining to this application should be directed to my attention at (407) 740-3004 or via email to rnorton@tminc.com. Thank you for your assistance in this matter.

Sincerely,

Robin Norton
Consultant to Value-Added Communications, Inc.
