RENEWAL CERTIFICATION FILING INSTRUCTIONS OHIO NATURAL GAS GOVERNMENTAL AGGREGATORS

- I. **Where to File:** Applications should be sent to: Public Utilities Commission of Ohio (PUCO or Commission), Docketing Division, 13th Floor, 180 East Broad Street, Columbus Ohio 43215-3793.
- II. **What to File:** Applicant must submit one original notarized application signed by a principal officer and ten copies, including all exhibits, affidavits, and other attachments. All attachments, affidavits, and exhibits should be clearly identified. *For example, Exhibit B-1 should be marked "Exhibit B-1 - Authorizing Ordinance."* All pages should be numbered and attached in a sequential order.

IMPORTANT REQUIREMENT: The renewal application must be docketed in the applicant's original GA-GAG case number. Therefore, applicant should enter that number on the renewal application form when filing a renewal application.
- III. **When to File:** Pursuant to Rule 4901:1-27-09 of the Ohio Administrative Code, renewal applications shall be filed between 30 and 120 days from the prior certificate's expiration date.
- IV. **Renewal Application Form:** The renewal application form is available on the PUCO Web site, www.puco.Ohio.gov or directly from the Commission located at: Public Utilities Commission of Ohio, Docketing Division, 13th Floor, 180 East Broad Street, Columbus, Ohio 43215-3793.
- V. **Confidentiality:** If any of an applicant's answers require the applicant to disclose what the applicant believes to be privileged or confidential information not otherwise available to the public, the applicant should designate at each point in the application that the answer requires the applicant to disclose privileged and confidential information. Applicant must still provide that privileged and confidential information is (*separately filed and appropriately marked*). Applicant must fully support any request to maintain the confidentiality of the information it believes to be confidential or proprietary in a motion for protective order, filed pursuant to Rule 4901:1-1-24 of the Ohio Administrative Code.
- VI. **Commission Process for Certification Renewal:** An application for renewal shall be made on forms approved and supplied by the Commission. The applicant shall complete the appropriate renewal form in its entirety and supply all required attachments, affidavits, and evidence of capability specified by the form at the time an application is filed. The Commission renewal process begins when the Commission's Docketing Division receives and time/date stamps the application. An incomplete application may be suspended or rejected. An application that has been suspended as incomplete will cause delay in renewal.

The Commission may approve, suspend, or deny an application within 30 days. If the Commission does not act within 30 days, the renewal application is deemed automatically approved on the 31st day after the official filing date. If the Commission suspends the renewal application, the Commission shall notify the applicant of the reasons for such suspension and may direct the applicant to furnish additional information. The Commission shall act to approve or deny a suspended application within 90 days of the date that the renewal application was suspended. Upon Commission approval, the applicant shall receive notification of approval and a numbered, renewed certificate that specifies the service(s) for which the applicant is certified and the dates for which the certificate is valid. Unless otherwise warranted, the renewed certification designation will remain consistent with the previously granted certification. For example, a certified Ohio natural gas governmental aggregator will renew as a certified Ohio natural gas governmental aggregator.

Unless otherwise specified by the Commission, the natural gas governmental aggregator's renewed certificate is valid for an additional period of two years, beginning and ending on the dates specified on the certificate. The applicant may renew its certificate in accordance with Rule 4901:1-27-09 of the Ohio Administrative Code.

Ohio natural gas governmental aggregators shall inform the Commission of any material change to the information supplied in a renewal application within thirty (30) days of such material change in accordance with Rule 4901:1-27-10 of the Ohio Administrative Code.

VII. *Contractual Arrangements for Capability Standards:* If the applicant is relying upon contractual arrangements with a third-party, to meet any of the certification requirements, the applicant must provide with its application all of the following:

- The legal name of any contracted entity;
- A statement that a valid contract exists between the applicant and the third-party;
- A detailed summary of the contract(s), including all services provided thereunder; and
- The documentation and evidence to demonstrate the contracting entity's capability to meet the requirements as if the contracting entity was the applicant.

VIII. *Questions regarding filing procedures should be directed to:*

Edith Binford at (614) 466-4821 or Edith.Binford@puc.state.oh.us

IX. *Governing Law:* The certification/renewal of Ohio natural gas governmental aggregators is governed by Chapters 4901:1-27 and 4901:1-28 of the Ohio Administrative Code, and Section 4929.20 of the Ohio Revised Code.

EXHIBIT B-1

AUTHORIZING ORDINANCE

ORDINANCE NO. O-2003-08-05

AN ORDINANCE TO FACILITATE COMPETITIVE RETAIL NATURAL GAS SERVICE TO PROMOTE NATURAL GAS SAVINGS, LOWER COST NATURAL GAS SUPPLIES AND OTHER BENEFITS FOR CERTAIN NATURAL GAS CONSUMERS, AUTHORIZING ALL ACTIONS NECESSARY TO EFFECT AN OPT-OUT NATURAL GAS AGGREGATION PROGRAM PURSUANT TO SECTION 4929.26 OF THE OHIO REVISED CODE AND ARTICLE XVIII SECTION 4 OF THE OHIO CONSTITUTION; DIRECTING THE AUGLAIZE COUNTY BOARD OF ELECTIONS TO SUBMIT A BALLOT QUESTION TO THE ELECTORS; AUTHORIZING AN AGREEMENT WITH AMPO, INC. FOR SUCH PURPOSES; AND DECLARING AN EMERGENCY.

Whereas, Article XVIII Section 4 of the Ohio Constitution grants the Village of New Knoxville (the "Municipality") certain authority related to utility service; and

Whereas, pursuant to Chapter 4929 of the Ohio Revised Code, to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits, certain governmental entities may aggregate certain natural gas consumers within their jurisdiction; and

Whereas, pursuant to Section 4929.26, Revised Code, the Municipality is authorized to establish an opt-out natural gas aggregation program ("Gas Aggregation") for the benefit of certain natural gas consumers within the Municipality so that the consumers may realize lower cost natural gas supplies and other benefits from the aggregation and collective purchasing of natural gas supplies; and

Whereas, Gas Aggregation provides an opportunity for natural gas consumers collectively to realize natural gas savings, lower cost natural gas supplies, and other benefits that the consumers may not otherwise be able to realize individually; and

Whereas, the Municipality desires to submit to the electors of the Municipality the question of whether the Municipality should create a Gas Aggregation program to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits in accordance with Section 4929.26, Revised Code; and

Whereas, this Ordinance constitutes an emergency measure providing for the immediate preservation of the public peace, property, health, or safety, in that opportunities to coordinate aggregation activities with certain suppliers of natural gas may become limited; and

Whereas, the Municipality has adopted this Ordinance pursuant to the authority conferred by Article XVIII Section 4 of the Ohio Constitution and Section 4929.26, Revised Code; and

Now, Therefore, Be It Ordained by the Council of the Village of New Knoxville that:

Section 1. This Council finds and determines that to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits, it is in the best interest of the Municipality and certain natural gas consumers within the jurisdiction of the Municipality to establish an opt-out natural Gas Aggregation program in the Municipality pursuant to Section 4929.26, Revised Code. Provided that this Ordinance and the Gas Aggregation program is approved by the electors of the Municipality in accordance with this Ordinance, the Municipality is hereby authorized to take all actions necessary to affect a Gas Aggregation program pursuant to Section 4929.26, Revised Code. The Municipality may exercise this authority jointly with other entities to the full extent permitted by law, and for such purposes, the Mayor (or other appropriate official) of the Municipality is hereby authorized to execute and deliver an agreement with AMPO, Inc. to assist the Municipality as its consultant and agent to effect the Gas Aggregation program. Actions necessary to effect the Gas Aggregation program include determining and entering into service agreement(s) with natural gas suppliers to facilitate the sale and purchase of all natural gas commodity and services to

serve the enrolled natural gas consumers. The Municipality shall be authorized by the electors to be the only entity authorized to act for and on behalf of the enrolled natural gas consumers to determine and select the natural gas supplier(s) to provide the commodity and all other services for the Gas Aggregation program and the enrolled consumers.

Section 2. The Gas Aggregation program shall not apply to persons meeting any of the following criteria, as more specifically described in Section 4929.26(A)(2), Revised Code: (i) the person is both a distribution service customer and a mercantile customer, (ii) the person has an existing commodity sales service contract with a retail natural gas supplier, (iii) the person has an existing commodity sales service as part of a retail natural gas aggregation pursuant to Rules and Orders of the Public Utilities Commission of Ohio ("Commission"), or (iv) such other persons that are not eligible pursuant to Rules and Orders of the Commission or the plan of operations and governance ("the Plan") for the Gas Aggregation program.

Section 3. The Board of Elections of Auglaize County is hereby directed to submit the following question to the electors of the Municipality at the general election on November 4, 2003:

A Majority Affirmative Vote Is Necessary For Passage

Shall the Village of New Knoxville, Ohio have the authority to aggregate retail natural gas loads located in the Village of New Knoxville and for that purpose enter into service agreements to facilitate for those loads the sale and purchase of natural gas commodities and other services, such aggregation to occur automatically, except where any person elects to opt out?

YES

NO

The Clerk of this Council is instructed to file a certified copy of this Ordinance and the proposed form of the ballot question with the Auglaize County Board of Elections not later than August 20 2003, which is seventy-five (75) days prior to November 4, 2003. The Gas Aggregation program shall not take effect unless approved by a majority of the electors voting upon the proposed ballot question at the election held in accordance with this Ordinance and Sections 4929.26, Revised Code. Upon approval, the Gas Aggregation shall take effect at the earliest permissible point in time and continue thereafter in accordance with Section 4929.26, Revised Code, and other requirements of Chapter 4929, Revised Code.

Section 4. Upon approval by a majority of the electors voting at the election provided for in this Ordinance, the Municipality shall develop and adopt a Plan of operations and governance for the Gas Aggregation program. Consumers enrolled in the Gas Aggregation program shall be supplied their natural gas requirements and other services in accordance with supply agreement(s) determined and arranged by the Municipality, as opportunities become available to provide benefits on behalf of the natural gas consumers enrolled in the Gas Aggregation program and the consumers located within the jurisdiction of the Municipality. The Municipality shall be authorized by the electors to be the only entity authorized to act for and on behalf of the natural gas consumers that have enrolled in the Gas Aggregation program to determine and select the natural gas supplier(s) to provide the commodity and all other services for the Gas Aggregation program and the enrolled consumers. Before adopting such Plan, at least two public hearings on the Plan shall be held. Before the first hearing, notice of the first hearing shall be published once a week for two consecutive weeks in a newspaper of general circulation in the Municipality. The notice shall summarize the Plan and state the date, time, and location of each hearing.

Section 5. The adopted Plan shall not aggregate any retail natural gas load within the Municipality, unless the person whose retail natural gas load is to be so aggregated is notified in advance that the person will be enrolled automatically in the Gas Aggregation program and shall remain so enrolled, unless the person affirmatively elects not to be so enrolled by a stated procedure. The disclosure shall state the rates, charges, and other terms and conditions of the enrollment. Once enrolled the consumer may only opt-out of the Gas Aggregation program every two years without paying a switching fee. Any such person that opts-out of the Gas Aggregation program shall default to the natural gas company providing distribution service for the person's

retail natural gas load, until the person chooses an alternative supplier.

Section 6. That the Auglaize County Board of Elections shall cause an appropriate notice to be duly given of the election to be held on November 4, 2003 on the foregoing proposal and otherwise to provide for such election in the manner provided by the laws of the State of Ohio.

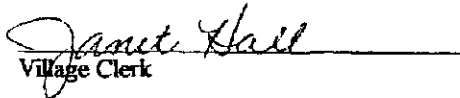

Section 7. This Council finds and determines that all formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and any of its committees that resulted in those formal action were in compliance with the Law.

Section 8. That this Ordinance is hereby declared to be an emergency measure, and provided it receives the affirmative vote of two-thirds of all the members elected to Council it shall take effect and be in force immediately and continuing thereafter upon its passage and approval by the Mayor; otherwise, it shall take effect and be in force from and continuing thereafter upon the earliest time allowed by law.

Adopted this the 12th day of August 2003.

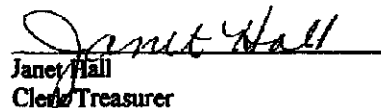

Mayor

RESOLUTION NO. 2004-04-01

Be It Resolved by the Council of the Village of New Knoxville that:

A RESOLUTION TO APPROVE THE PLAN OF OPERATION AND GOVERNANCE FOR THE VILLAGE OF NEW KNOXVILLE GAS AGGREGATION PROGRAM AND DECLARING AN EMERGENCY.

BE IT RESOLVED BY THE COUNCIL OF THE VILLAGE OF NEW KNOXVILLE, OHIO THAT:

WHEREAS, pursuant to Chapter 4929 of the Ohio Revised Code, to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits, certain governmental entities may aggregate certain natural gas consumers within their jurisdiction; and

WHEREAS, on November 4, 2003, the electors of the Village approved of the Village's plan to create an aggregation program for customers located within the boundaries of the Village; and

WHEREAS, Revised Code 4929.26(C) requires a governmental entity interested in the automatic registration of customers under governmental aggregation, subject to customer rights to "opt-out" of such an aggregation, adopt a plan of operation and governance for its aggregation program; and

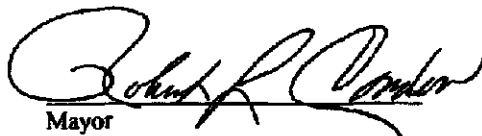

WHEREAS, this ordinance constitutes an emergency measure providing for the immediate preservation of the public peace, property, health or safety in that opportunities to coordinate aggregation activities within certain suppliers of natural gas services may become limited; now, therefore,

NOW THEREFORE, be it Resolved by the Council of the Village of New Knoxville, Auglaize County, Ohio, at least three-fourths (3/4) of the members elected thereto contained herein;

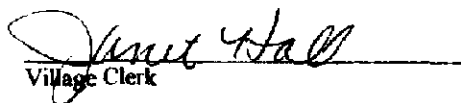

SECTION 1: That this Council hereby adopts the Village of New Knoxville Plan of Operation and Governance (attached hereto and incorporated herein by reference as Exhibit A) for the implementation and administration of the Village's municipal gas aggregation program in accordance with Revised Code 4929.26(C).

SECTION 2: This Resolution is hereby declared to be an emergency measure for the reasons set forth in the preamble hereto, for the safety and welfare of the residents of the Village of New Knoxville. Therefore, this Resolution shall be in full force and effect immediately from the date of its Passage and that the Village's aggregation program shall thereafter commence in accordance with the adopted Plan of Operation and Governance that has been established pursuant to Revised Code Chapter 4929.

Adopted this the 13th day of April, 2004.

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

Overview

At the November 4, 2003 general election, local residents authorized the Village of New Knoxville (the Village) to create a municipal opt-out natural gas aggregation program (the Aggregation Program) in compliance with Section 4929.26 of the Ohio Revised Code. Under the opt-out natural gas aggregation program, all eligible natural gas consumers within the Village's corporation limits will be automatically included in the Aggregation Program initially. However, all consumers will also be given the opportunity to opt-out or decline participation in the Aggregation Program as detailed herein.

The Village's purpose in creating the Aggregation Program is to represent local consumer interests in emerging competitive natural gas markets by aggregating natural gas loads within the Village's corporation limits (including municipal facilities) and negotiating affordable, reliable natural gas supplies and other related services on behalf of local consumers. The Village may pursue this purpose individually or in cooperation with other entities.

Many small commercial and residential natural gas consumers lack the leverage to effectively negotiate natural gas supply rates and services. A governmental aggregation program provides them with an option for professional representation and the bargaining power of a larger, more diverse consumer group that may be more attractive to suppliers, allowing them to effectively participate in the competitive process and achieve benefits.

1. Description of Services

The Aggregation Program is designed to reduce the amount a consumer pays for natural gas energy, and to gain other favorable economic and non-economic terms in service contracts. The Village will not buy and resell natural gas, but will represent collective consumer interests to set terms and conditions for service. Through a negotiation process, the Village will develop a contract with a Competitive Retail Natural Gas Services Provider (CRNGS Provider) or Providers for firm all-requirements natural gas service. Once the contract has been finalized, it will be submitted to the New Knoxville Village Council for approval.

The Aggregation Program covers the natural gas supply portion only of a participant's natural gas bill. Vectren Energy Delivery of Ohio (VEDO) will continue to deliver natural gas to Aggregation Program participants' homes and businesses through its natural gas distribution system as a monopoly function regulated by the Public Utilities Commission of Ohio (PUCO). VEDO will also continue to install, operate and maintain its system of pipelines, Rights of Way, meters and other natural gas distribution components. Aggregation Program participants should continue to call VEDO if their natural gas is interrupted or if they have billing questions. The PUCO will continue to oversee VEDO natural gas safety and reliability service standards.

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

Oversight of the Aggregation Program will be the responsibility of Village Administrator, who shall report to the Village Council. The Village Administrator, subject to Village Council approval, will have the authority to develop specifications for the Aggregation Program, to appoint an Aggregation Program Manager, and to select, hire and manage the CRNGS Provider. The CRNGS Provider and the Aggregation Program Manager will work under the direction of the Village Administrator with the advice and counsel of the Village Attorney.

Due to the complexity of the natural gas utility industry and the uncertainties of its associated restructuring activities, the Village of New Knoxville may contract with a consultant or consultants to provide the necessary expertise to represent the Village's interest in legislative and regulatory matters and/or to serve as the Aggregation Program Manager. Such services may include, but are not limited to, facilitating consumer enrollment and opt-out, assisting with consumer education, addressing consumer questions and concerns, providing reports on program operation, enrollment and savings, negotiating future CRNGS Provider contracts, and representing the Village in dealings with CRNGS Providers, VEDO, the Ohio Legislature, the PUCO and the Ohio Consumer's Counsel (OCC).

The Village deems any and all information related to an eligible customer to be confidential and proprietary trade secret information. The CRNGS Provider shall keep all eligible customer information provided to it by the Village or VEDO in supplying eligible customers within the Village's corporation limit confidential and shall not disclose such information to any third party, unless such disclosure is required to serve any eligible customer, the third party agrees to keep such eligible customer information confidential, and the Village consents to the disclosure of such information to the third party.

The Village will require any CRNGS Provider to disclose any subcontractors that it uses in fulfillment of the services described herein.

The CRNGS Provider will provide a local or toll free telephone number for participant questions and concerns about enrollment, opt-out provisions, billing and other Aggregation Program issues.

The CRNGS Provider will develop internal controls and processes to help ensure that the Village remains in good standing as a governmental aggregator that complies with all laws, rules and regulations regarding the same as they may be periodically amended.

Natural gas service reliability is an essential to Aggregation Program participants. The Village will strive to provide high-quality service and reliability through provisions of the CRNGS Provider contract, through traditional proceedings related to VEDO distribution services; and through direct discussions with VEDO concerning specific or general problems related to quality and reliability of its distribution system.

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

If for any reason a CRNGS Provider fails to provide uninterrupted service, the Village will attempt to acquire an alternative natural gas supply. If this attempt fails, participants will default to VEDO established tariff rates. In no case will participants be without natural gas as the result of the CRNGS Provider's failure to provide uninterrupted service. The Village will seek to minimize this risk by contracting only with reputable CRNGS Providers that demonstrate reliable service. The Village also intends to include conditions in its CRNGS Provider contract that will indemnify participants against risks or problems with natural gas supply service and price.

All Aggregation Program participants shall enjoy the protections of law afforded to consumers as they currently exist or as they may be amended from time to time. These include rights to question billings or service quality or service practices. All program participants shall also enjoy the individual right to decline participation in the Aggregation Program subject to the terms and conditions contained herein.

All Aggregation Program participants will be treated equitably. They will be guaranteed the right to raise and resolve disputes with the CRNGS Provider, be provided all required notices and information; and always retain the right to opt-out of the Aggregation Program or switch suppliers subject to the terms and conditions contained herein.

All consumers within the Village's corporation limits shall be eligible to participate in the Aggregation Program subject to the terms and conditions described herein, Ohio law, PUCO rules and regulation governing natural gas service, and VEDO approved tariffs.

Service under the Aggregation Program shall include all eligible customer classes in adherence with universal service principles and requirements, and the traditional non-discriminatory practices of local government. CRNGS Provider contracts shall contain provisions to maintain these principles and equitable treatment of all customer classes.

Low-income consumers shall remain subject to all provisions of Ohio law and PUCO rules and regulations as they may be amended from time to time regarding their rights to return to VEDO General Service and participation in the Aggregation Program.

The Village developed this Plan of Operation and Governance in compliance with Ohio law regarding municipal opt-out aggregation of natural gas consumers, including two public hearings prior to its adoption.

The New Knoxville Village Council shall approve through resolution or ordinance the Aggregation Program's Plan of Operation and Governance in accordance with Ohio Revised Code Section 4929.26. Amendments to the Plan of Operation and Governance may be subject to New Knoxville Village Council approval and filing with the PUCO.

After adoption of the Plan of Operation and Governance, the Village will file with the PUCO for governmental aggregator certification and also register as a governmental aggregator with VEDO.

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

Aggregation Program participants are subject to the same standards and responsibilities as other natural gas consumers, including payment of billings and access to metering and other equipment necessary to carry out utility operations.

The Aggregation Program may be discontinued upon the termination or expiration of the CRNGS Provider contract without any extension, renewal or subsequent contract being executed. In the event of Aggregation Program termination, each participant will receive notification at least 60 days prior to such program termination and could return to VEDO General Service Rate or select another approved CRNGS Provider.

2. Determination of Rates

The Village will not buy and resell natural gas to Aggregation Program participants. The Village will aggregate natural gas loads within the Village's corporation limits including municipal facilities. Through a competitive selection process, the Village will develop and negotiate a contract with a CRNGS Provider or Providers for firm, all-requirements service. The contract will contain mutually agreeable price terms for affordable, reliable natural gas supplies and other related services. The Village may pursue this purpose individually or in cooperation with other entities. Contracts will be monitored by the Village on behalf of consumers.

CRNGS Providers will supply information on natural gas supply charges by VEDO customer rate classification or other appropriate pricing category as approved by the Village. All natural gas supply charges will be fully and prominently disclosed in consumer enrollment materials and will be subject to approval by the New Knoxville Village Council.

The Village will contract only with a CRNGS Provider or Providers that meet at a minimum the following criteria:

1. Certified CRNGS Provider by the PUCO
2. Registered with VEDO
3. Have a service agreement under VEDO Gas Transportation Service Tariff
4. Successfully completed Electronic Data Interchange (EDI) computer system testing with VEDO and that CRNGS Provider's EDI computer system is capable of effectively processing Aggregation Program EDI transactions in a timely manner
5. Meet standards of creditworthiness established by the Village
6. Have a customer call center capable of effectively handling participants' questions, concerns and disputes in a timely manner using a toll-free telephone number
7. Hold the Village harmless from any financial obligations arising from offering natural gas and/or energy-related services to Aggregation Program participants

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

The CRNGS Provider's contract will run for a fixed term (i.e., one to five years) and contain all pricing, charges, early termination fees, etc. in clear and easily understood terms, and it will include a sales tax instead of a gross receipts tax.

The CRNGS Provider's rates will include an administrative fee, which shall (if implemented) be collected on behalf of the Village to fund the implementation and administration of the Village's Aggregation Program. The administrative fee will be adjusted annually to cover the Village's cost of administering the program. The fee will be reviewed annually to ensure that the amounts collected do not exceed the cost of administering the aggregation program.

VEDO assigns customer rate classifications, character of service and associated regulated rates subject to PUCO approved tariffs. In addition to the CRNGS Provider's gas service charges, consumers will continue to be billed for VEDO service and delivery charges. Although the Village may participate in regulatory proceedings and represent the interests of consumers regarding these regulated rates, it cannot assign or alter customer rate classifications.

3. Plan for Providing Opt-out Notice

Initially, each eligible consumer within the Village's corporation limits will be automatically included in the Aggregation Program. However, prior to actual enrollment, each consumer will receive a notice from the Village detailing the Aggregation Program's rates, terms and conditions.

Each consumer will then have a 21-day period to opt-out of or decline to participate in the Aggregation Program without charge. Consumers opting out of the program will remain on Vectren Energy Delivery of Ohio's (VEDO) established tariff rates until such time as they select an approved CRNGS Provider. A similar opt-out period will be offered every two years during which time consumers can leave the Aggregation Program without paying a switching fee.

4. Process for Determining the Pool of Customers

After contract approval by the New Knoxville Village Council, the CRNGS Provider will work with the Village and VEDO to identify all eligible consumers within the Village's corporation limits.

All eligible consumers will be notified of the rates, charges and other terms and conditions of participation in the Aggregation Program and that they will be automatically enrolled in the Aggregation Program unless they "opt out" or decline participation in the program. Consumers will be given a 21-day period in which to notify the Village that they wish to opt out or decline participation in the Aggregation Program.

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

After the initial 21-day opt-out period has elapsed, all eligible consumers who have not notified the Village of their desire to opt out of the Aggregation Program will be enrolled by the CRNGS Provider at the earliest date practicable.

Consumers enrolled in the Aggregation Program by the CRNGS Provider will receive a letter from VEDO notifying them of their enrollment. Consumers will have seven calendar days to notify VEDO of any objection to their enrollment in the Aggregation Program. VEDO will notify the CRNGS Provider of consumer objections or any reason that a consumer was not enrolled in the Aggregation Program.

Customers who meet the following criteria will become Members of the aggregation program:

- Are not currently buying gas from another supplier;
- Are up to date with their bill payments;
- Have not opted out of the program;
- Currently have service with VEDO;
- Are classified as non-mercantile;
- Have not exercised their right of rescission, or;
- Are not on the Percentage of Income Payment Plan (PIPP).

New members may opt into the Program upon contract expiration with an alternate supplier. These members will need to contact the CRNGS Provider for enrollment information. The CRNG Provider has a right of refusal in accordance with criteria described in this plan.

The CRNGS Provider will build and maintain a database of all Aggregation Program participants. The database will include the name, address and VEDO account number and may include other pertinent information as agreed upon by the Village and the CRNGS Provider. Such information may include the CRNGS Provider's account number (if different from VEDO account number), rate code, rider code (if applicable), most recent twelve months of natural gas consumption, and meter reading cycle. The Aggregation Program database will be updated at least quarterly. The Village will have the right to access information in the database for purposes of auditing.

The CRNGS Provider will report to the Village the status of Aggregation Program enrollment on at least a monthly basis.

Participants who wish to leave the Aggregation Program may do so:

- During the initial 21-day opt-out period;
- During the seven day rescission period;
- During subsequent opt-out period offered by the Village at least every two years;
- At any other time; however an early termination fee may be assessed.

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

In addition to the initial 21-day opt-out period described above, each participant will be given an opportunity to opt out of the Aggregation Program every two years without paying an early termination fee. Consumers who choose to opt out of the Aggregation Program at any time other than during the initial 21-day opt-out period or during subsequent opt-out periods offered by the Village may be subject to an early termination fee.

Any consumer who opts out of the Aggregation Program will be returned to VEDO established tariff rates until such time as the consumer selects another approved CRNGS Provider.

5. Customer Billing Procedures

The Village plans to utilize VEDO consolidated billing service in which each consumer account receives one bill itemizing the CRNGS Provider's natural gas supply charges and VEDO delivery, transition and other PUCO-approved charges. The billing statement will be consistent with applicable PUCO rules and regulations. The Village will consider other billing options, including CRNGS Provider consolidated billing, if and when they become available and if it appears advantageous to do so.

6. Credit and Deposit Policies

Collection, credit and deposit procedures remain the responsibility of the Local Utility, the selected supplier and the individual member. Members are required to remit and comply with the payment terms of the local utility. This program will not be responsible for late or no payment on the part of any of its members. The Municipality will have no separate credit or deposit policy. The selected supplier shall not charge more than 1 ½ percent per month for overdue balances owed to the selected supplier.

8. 7. Governmental Aggregator's Customer Service Procedures and Dispute Resolution

The Aggregation Program only impacts the source of natural gas supply. VEDO will continue to deliver the natural gas purchased through the Aggregation Program to participants' homes and businesses through its natural gas distribution system. Participants with question or concerns regarding service delivery or safety, such as a natural gas outage or odor of gas should continue to contact VEDO at 800-227-1376. Meter reading or other billing questions should also be directed to VEDO at the same number. Questions regarding Aggregation Program enrollment or opting out should be directed to the CRNGS Provider. General questions and concerns should be directed to Village Administrator, Village of New Knoxville. Disputes unresolved by the aforementioned parties, should be directed to either the Ohio Consumer's Counsel or the Public Utilities Commission of Ohio. The following table gives toll-free telephone numbers for use by consumers.

8. Members Moving Into/Within the Aggregation (New Account Number)

Consumers who move into the Village after the initial opt-out period will be not be automatically included in the Program, but will be afforded an opportunity to enroll. However, the Village cannot guarantee that the rates, terms and conditions to consumers enrolling in the Aggregation Program after the initial 21-day opt-out period will match those of the initial enrollees.

The same rule will apply to participants who move within the Village after the initial opt-out period, if they are given a new account number by VEDO. That is, they will not be automatically include in the Program, but will be given an opportunity to re-enroll under a new set of rates, terms and conditions.

9. Members Moving Within the Aggregation (Same Account Number)

Participants who relocate within the Village limits and retain the same VEDO account number, will be allowed to continue in the Aggregation Program at their new location under the same terms and conditions as at their former location, subject to any switching fees imposed by VEDO.

PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

10. Joining the Program at a Later Date (Opting-In)

Residents of the Village who initially choose to opt-out of the Program, for whatever reason, and wish to enroll at a later date, will be treated the same as a new resident. That is, they will not automatically become part of the existing program, but will be given an opportunity to enroll. However, the Village cannot guarantee that rates, terms and conditions to consumers enrolling in the Aggregation Program after the initial 21-day opt-out period will match those of the initial enrollees.

VILLAGE OF
[REDACTED]

Month Day, Year

Dear J. [REDACTED] Resident:

The Village of [REDACTED] is providing you with the opportunity to participate with other [REDACTED] residents in a natural gas governmental aggregation program.

Under governmental aggregation, the Village of [REDACTED] acts on behalf of natural gas consumers who are participating in the program, to negotiate a gas supply contract with eligible suppliers. Both J. [REDACTED] and eligible retail natural gas suppliers have to be certified by the Public Utilities Commission of Ohio. [REDACTED] Village Council passed an ordinance adopting this program and [REDACTED] approved the implementation of the program on May 6th, 2003. The aggregation program for [REDACTED] will begin with your December 2003 or January 2004 billing cycle and end with your November 2005 billing cycle.

You will be automatically enrolled in [REDACTED] Natural Gas Aggregation Program unless you choose to "opt out" – that is, to not participate. There is no cost for enrollment. You do not need to do anything to be included. If you choose to opt-out of this program, you will continue to be served by Vectren Energy Delivery of Ohio (Vectren), unless and until you choose another supplier.

Your price through your November 2004 billing cycle will remain stable at \$.699 per ccf. Each year before the anniversary of your agreement, the government aggregating body will re-negotiate your price on your behalf. Once the price for the second year has been established, the Village's gas supplier, Interstate Gas Supply (IGS), will notify you of the new rate. If for any reason you do not wish to continue in the program, you may cancel the agreement as provided in the enclosed terms and conditions.

If you want to be excluded from the Jackson Center Natural Gas Aggregation Program you must return the enclosed "Opt-Out" form by November 7, 2003. If you do not opt out at this time, you will be enrolled in the program until it expires in November 2005. At that time, you will again have the chance to opt out of the program with no penalty. Every participant will be allowed to leave the program at least every 24 months without incurring any penalty. Please note that if you remain in the aggregation group, you will receive a letter from Vectren advising you of your impending transfer to Interstate Gas Supply, and advising you to contact them if you don't want to be in the Program. If you still wish to remain in the Program, you do not have to do anything with that letter.

In Ohio's deregulated natural gas environment, your local natural gas utility, Vectren Energy Delivery of Ohio, will continue to maintain the pipeline system that delivers natural gas to your home or business. You will continue to receive a single bill from Vectren for your natural gas

service, but it will now include a gas supply charge from Interstate Gas Supply and sales tax charge on the cost of the gas supply in place of the GCR charge you have been paying Vectren. You will still contact Vectren regarding loss of gas service, odor of gas, or for any other concerns or issues having to do with your local service. Budget billing and automatic billing options will continue to be available through Vectren Energy Delivery of Ohio.

If you have any questions, call Interstate Gas Supply at 1-877-444-7427, 24 hours, 7 days a week. For general information on natural gas deregulation in Ohio, you can also visit the Web Sites of the Ohio Consumer's Counsel (www.pickocc.org) or the Public Utilities Commission of Ohio (www.PUCO.ohio.gov).

Sincerely,

The Village of Jackson Center

P.S. Remember to return the "Opt-Out" form only if you do not want to participate in the Village of Jackson Center Natural Gas Aggregation Program.

If the home or small business for which you have received this letter is not located within the Village limits of Jackson Center, you have received this letter in error. Please contact Interstate Gas Supply at 800-280-4474 to be removed from the aggregation list.

You are not eligible to participate in this program if you are not current on your Vectren Energy Delivery of Ohio account, or if you are enrolled in the RPPD program.

EXPERIENCE

The Village of New Knoxville has experience in negotiating, contracting and providing for common services for residents of the Village. Some examples of experience as a service provider are:

- Electric Power purchase, generation and distribution
- Water and Sewer Service
- Police and Fire Service
- Parks and Recreation

The Village routinely negotiates for services and supplies that benefit the residents of New Knoxville.

However, due to the complexity of municipal opt-out aggregation, the Village has chosen to retain the services of a consultant to assist them in designing, implementing and maintaining their gas aggregation program.

Contractual Arrangements for Capability Standards

The Village of New Knoxville states that a valid contract exists with:

AMPO, Inc., A Subsidiary of AMP-Ohio
2600 Airport Drive
Columbus, Ohio 43219

for the purpose of providing consulting services on municipal opt-out gas aggregation.

Detailed summary of the services being provided:

- Provide and assist with developing model ordinances to create opt-in or opt-out natural gas aggregation programs.
- Coordinate and work with municipal local officials and staff to develop a procurement strategy for reliable and competitive natural gas supplies and related services for the natural gas aggregation program.
- Assist with the preparation of a Plan of Operation and Governance for the natural gas aggregation program.
- Coordinate and assist with the preparation and filing of the required aggregation certification documents with the Public Utilities Commission of Ohio ("PUCO").
- Assist with performing the PUCO requirements for governmental aggregation programs.
- Provide consulting services and administer the process of negotiating with certified natural gas suppliers, developing and soliciting requests for quotations ("RFQ") or requests for proposals ("RFP").
- Evaluate and manage the ongoing negotiations and/or RFQ or RFP.

- Analyze the negotiations and/or RFQ or RFP's from certified retail natural gas suppliers and make recommendations to local officials and staff.
- Assist with developing and negotiating the contract with the certified retail natural gas supplier to serve the aggregation program.
- Assist the municipality in executing and administering agreements with the selected certified retail natural gas supplier.
- Coordinate the PUCO customer notifications and other requirements for enrolling residents in the municipal natural gas aggregation program.
- Work with and assist the municipality, the certified retail natural gas supplier, and the natural gas local distribution company to facilitate the enrollment of customers in the municipal natural gas aggregation program at the earliest date practicable.
- Work with the certified retail natural gas supplier to coordinate and communicate with the municipality regarding enrollments in the municipal natural gas aggregation program, cost savings to participants, and other related matters.
- Assist the municipality in developing effective consumer education materials to explain the aggregation program and make community presentations as needed.
- Assist with monitoring proceedings of applicable legislative and regulatory bodies and provide analysis and updates on changes that may impact the municipal natural gas aggregation program, its participants, or the municipality.
- Represent the municipality at meetings with the certified retail natural gas supplier and the local distribution company concerning the municipal natural gas aggregation program rates, terms and conditions of service, customer concerns, etc.
- Assist and work with the municipality to prepare and file annual reports required by the PUCO and Section 4905.10(A) and Section 4911.18(A), Ohio Revised Code.
- Coordinate with municipal legal counsels to facilitate legal reviews and/or opinions that may be needed in connection with the aggregation program. Please note that the performance of any legal work, including but not limited to the legal reviews and/or opinions, are beyond the scope of AMPO's services.
- As the initial term of the certified retail natural gas supplier contract agreement nears its end, repeat Phase I activities to secure ongoing competitive natural gas supplies and related services for the municipal natural gas aggregation program.

Documentation of Contracting Party's Experience in Energy Aggregation:

AMP-Ohio

Founded in 1971, Columbus based American Municipal Power-Ohio (AMP-Ohio) was organized as a nonprofit corporation for the purpose of owning and operating electric facilities or otherwise providing for the generation, transmission and/or distribution of electric power and energy to its member communities. Members include 80 of Ohio's 86 municipally owned electric systems, two West Virginia public power communities and three in Pennsylvania, ranging in size from 116 customers to more than 80,000

customers. Collectively, AMP-Ohio member communities serve approximately 364,000 customers.

AMP-Ohio coordinates, negotiates and develops power supply options and interchange agreements on behalf of its members. AMP-Ohio also owns and operates the Richard H. Gorsuch Generating Station, a 213-megawatt coal-fired facility located in Marietta, Ohio, that provides power to 48 participating communities, and has undertaken an ambitious program of siting distributed generation in member communities throughout Ohio. In addition, AMP-Ohio serves as an independent project manager for Ohio members participating in joint ventures to share ownership of power generation and transmission facilities, including the OMEGA JV5 project, a 42 MW run-of-the-river hydroelectric power station completed on the Ohio River in 1999.

AMP-Ohio also operates a sophisticated 24-hour energy control center that monitors electric loads and transmission availability, dispatches, buys and sells power and energy and controls AMP-Ohio and member-owned generation. A competent in-house engineering, operations, safety, power supply, key accounts, economic development, rate and environmental staff is available at AMP-Ohio's headquarters to assist member communities in addition to performing AMP-Ohio duties and providing support to the joint ventures.

AMP-Ohio's knowledgeable, experienced staff understands the unique challenges faced by local government staff and elected officials. AMP-Ohio is governed by a 16-member Board of Trustees, all of who are local government representatives, and a number of AMP-Ohio staff members—including its president—once worked for local governments.

AMPO, Inc.

Formed in 1998, AMPO, Inc. is a wholly owned, taxable subsidiary of AMP-Ohio whose purpose is to provide direction and service to local governments and other energy consumers in evolving energy markets. This includes the development and implementation of local electric and natural gas aggregation programs, review and negotiation of energy contracts, and the evaluation and implementation of energy supply alternatives for local business, industry and government. AMPO, Inc. has been an approved supplier in the Columbia Gas of Ohio CHOICESM and Dominion East Ohio Energy Choice programs and currently works with over 40 Ohio communities to offer natural gas and/or electric aggregation programs to residential and small commercial customers.
