**4.6 Directory Assistance Service**

Local Directory Assistance - Local Directory Assistance is a service where customers may request listing information for areas within their LATA or home NPA. There are no call allowances with Local Directory Assistance.

National Directory Assistance - National Directory Assistance is a service where customers may request listing information for areas outside their LATA or home NPA. There are no call allowances with National Directory Assistance.

**4.6.1 Regulations**

- A. The Company offers directory assistance service to its end users.
- B. The regulations in this section apply to calls placed to local directory assistance to obtain telephone numbers of services located within the same local service area and National Directory Assistance to obtain numbers of services outside the local service area. The number of such telephone numbers furnished on each call shall be limited to two. (T)
- C. Except as otherwise specified herein, directory assistance calls from the following are not subject to the regulations and charges in this section.
  - 1. Services furnished to the handicapped as follows:
    - a. **Impaired persons**
      - 1) For purposes of this tariff, the definition of impaired refers to those persons with communication impairments, including those hearing impaired, deaf, deaf/blind, and speech impaired persons who have an impairment that prevents them from communicating over the telephone without the aid of a telecommunications device for the deaf.
      - 2) Residential impaired customers or impaired members of a customers' household, upon written application and upon certification of their impaired status, which is evidenced by either a certificate from a physician, health care official, or state agency, or a diploma from an accredited educational institution for the impaired, may receive a discount off their message toll service rates, and, if they utilize telebraille devices, they may receive free access to local and intrastate long distance directory assistance. Additionally, TDD lines maintained by nonprofit organizations and governmental agencies, upon written application and verification that such lines are maintained for the benefit of the impaired may receive a discount off their message toll services rates.
