Re: Formal Complaint

Dear PUCO Representative,

My name is Marcus A. Fields. My mailing address is P.O. Box 14100 ~ Cleveland, Ohio 44114. I can be contacted by phone at (216) 696-6611 or by email at mfields@mrnltd.com.

I am writing to file a formal complaint in reference to account numbers 110023516021 and 110023636944. The service address of these two accounts is 10660 Carnegie Avenue ~ Cleveland, Ohio 44106.

I am a customer of the Illuminating Company. As requested I have attached an Illuminating Company billing statement to verify this fact. I have also attached a list of all my other active accounts with The Illuminating Company. I am filling this formal complaint against the Illuminating Company.

The reasons for submitting this complaint are as follows.

At the end of January 2008 the last remaining tenant moved out of the property located at 10660 Carnegie Avenue. Until that time, monthly Illuminating Company bills were in the name of that tenant. Therefore, in my capacity as accountant to the building's owner I called the Illuminating Company to have the bills placed into the owner's name. The Illuminating Company subsequently requested a security deposit of over thirteen thousand dollars. After I filled an informal complaint the Illuminating Company reduced the deposit amount to approximately nine thousand dollars. I find the amount of the deposit requested unreasonable and grossly prohibitive.

The requested deposit is unreasonable for two reasons. First, it is based solely on the usage of a tenant no longer occupying the building. There is no reason for demanding a deposit of my company based on the usage of an unaffiliated business entity. Second, the building is empty, tenant free and shall remain empty until such time a plan for the best future use of the building is developed. There are not tenants in the building. There will not be any tenant in the building for at least eighteen to twenty-four months or more. To request such a large deposit for service that will in now way approach the measure of service previously used at the property is in fact unjust.

Enclosed with this letter you will also find the most recent billing statements for the accounts referenced above. These statements support my assertion that the usage has decreased. In fact, the billable usage has decreased significantly by sixty-five to

seventy-five percent. The usage for the next billing cycle is likely to be even lower. This evidence should make is clear that such a large deposit is unwarranted in this situation.

It is my hope that after weighing my reasons for filing this formal complaint and the evidence provided that you will come to the same conclusion as I have. That conclusion being the inappropriateness of the security deposit requested. Therefore, I ask, since there are statements available to reflect our usage after the last tenant moved out, that you would urge the Illuminating Company to reevaluate the amount of the security deposit to reflect the amount of usage incurred since the end of January 2008. More specifically, they should use the most recent bills for May and June when reevaluating a more appropriate deposit amount. And that they consider carefully the fact that the building is to remain vacant for an extended period of time.

I would like to take this time to thank you very much for your diligent attention to this matter. Should you have any questions, concerns regarding this matter please contact me at the number or email address provided above. I can be contacted during my office hours Monday through Friday from 8:00a.m until 4:30p.m.

Respectfully,

Marcus A. Fields Staff Account
