PUC 1

To whom it may concern:

000050 JUN-48

I'm a 42 yr resident of Blendon Township. I'm also 71 yrs of age, retired & on a fixed income. I appeal to you because the water rates are becoming unbarable. We just got hit with a 10% increase & now 6 months later, here we are again. Please consider this possible rate increase by the American Water Company with the community in mind.

Thank You for your consideration.
