4.5.7 *Birchual* Office Services

Birchual Office Service is a service whereby calls placed to a business customer's telephone number (the *Birchual* Office number) in one exchange are automatically forwarded to a telephone number (the terminating number) in another exchange. The *Birchual* Office number does not involve telephone equipment, a physical location, or manual input to initiate the forwarding of calls to the terminating number. When a *Birchual* Office number is called, it is intercepted at the local central office and automatically routed to whatever terminating number the customer designates. The forwarded calls can be local or toll, depending on the type of service to which the customer subscribes. The *Birchual* Office customer is responsible for any local usage or toll charges incurred between the customer's *Birchual* Office number and the terminating number. The *Birchual* Office number includes one path, which allows for one call to be forwarded at a time. Additional paths can be ordered to allow additional calls to be forwarded simultaneously. *Birchual* Office Service is available to Birch business customers only.

Birchual Office Service is available in the following packages:

- Local *Birchual* Office Service
- Long Distance *Birchual* Office Service

4.5 Miscellaneous Services (continued)

4.5.7 *Birchual* Office Services

Birchual Office Service is a service whereby calls placed to a business customer's telephone number (the *Birchual* Office number) in one exchange are automatically forwarded to a telephone number (the terminating number) in another exchange. The *Birchual* Office number does not involve telephone equipment, a physical location, or manual input to initiate the forwarding of calls to the terminating number. When a *Birchual* Office number is called, it is intercepted at the local central office and automatically routed to whatever terminating number the customer designates. The forwarded calls can be local or toll, depending on the type of service to which the customer subscribes. The *Birchual* Office customer is responsible for any local usage or toll charges incurred between the customer's *Birchual* Office number and the terminating number. The *Birchual* Office number includes one path, which allows for one call to be forwarded at a time. Additional paths can be ordered to allow additional calls to be forwarded simultaneously. *Birchual* Office Service is available to Birch business customers only.

Birchual Office Service is available in the following packages:

- Local *Birchual* Office Service*

(RT)
