Dear Valued Customer:

Beginning on July 15, 2008, the prices, service descriptions, and terms and conditions for any long distances services that you are provided by Ernest Communications, Inc., will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of these services. Ernest Communications must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a guidebook online at [www.ernestgroup.com](http://www.ernestgroup.com) or you can request a copy of this information by contacting 5275 Triangle Parkway, Suite 150, Norcross, GA 30092, toll free 1-800-456-8353.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company, instead of the document on file at the PUCO, will now control new services or changes in service. This agreement, whether it is verbal or written, will still be subject to consumer protections required and enforced by the PUCO.

For any new services or changes in service, it will be important that you carefully review and confirm the prices, terms and conditions.

If you have any questions about this matter, please call Ernest Communications, Inc., at the toll free number 800-456-8353 or visit us at [www.ernestgroup.com](http://www.ernestgroup.com).

Sincerely,  
Ernest Communications, Inc.
