Notes:

She thinks she has NRG Choice transportation through them.

Saw a legal notice in DEO asking for customers to replace their gas lines. The company is going to assess \$1k per year.

Customer wants to know how that can happen? Advised if PUCO approves their request, the charge will be valid.

Customer asks that her concerns be notated. States that 90 percent of people would never see that in the paper.

Advised we are req'd to put notices in the paper. Choose legal section bc that's the nature of the issue.

Please docket the attached in the case number above.
