Case # 07-829-GA-AIR

In regards to Dominion East Ohio Gas Co, I'm protesting the increase in rates which would require me to pay a fixed rate. Thats why I lowered my thermostate and wore more clothes in the winter to avoid the extremly high gas bills. I am on a fixed income and cannot afored these un-reasonable rates. I want to pay only for the gas consumed, not a fixed rate, not for dead beats who wont pay.

It is totally un-American for some one else to dicate what you pay for a product whether or not it is used. These utility companies know we have no aiterntive, thats why they want to rape the senior citizens and put them into bankruptcy.
