COMPLAINT DESCRIPTION:

I wish to voice my opposition to any increases passed along to we the consumer, for pipeline infrastructure! We are being gouged already. Many people cannot afford to heat their homes any more! They need to use their profits for whatever they feel they need to do to improve their infrastructure! Seriously, how much more can the consumer be made to bear! Our country and our community are headed for disaster, unless the people in power learn to JUST SAY NO! to big business! Enough is enough!!!
