COMMENT DESCRIPTION:

I'm commenting in regard to Dominion's proposed rate increase. I hope you will keep in mind the issue involved with selecting a gas supplier. If one doesn't specifically select a supplier, their gas is supplied by Dominion (or as they point out one of their subsidiaries). Despite this fact, they charge you higher prices than if you specifically select them. Also, in this situation, they are able to change (i.e. raise) the rates monthly. I had this situation occur when I recently moved within Wooster. I believe this is a situation that needs to be addressed.
