COMMENT DESCRIPTION:

Please don't approve Dominion's rate increase request. Utility bills are killing us. Consumers are losing their jobs and homes, energy inflation is terrible and now Dominion wants more. The Economy is in the crapper. We all have to make do with what we have and bite the bullet. Dominion should do the same and not waste money with full-page ads in the newspapers. People need heat in the Winter and Dominion's rate hike will hurt all of us. Please support the consumers and reject the rate hike.
