THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of the City of)
 Crestline, Ohio, for Certification as a) Case No. 04-1145-GA-GAG
 Governmental Aggregator.)

ENTRY

The attorney examiner finds:

- (1) On September 2, 2004, the Commission issued Certificate No. 04-088(1) to the city of Crestline (Crestline), to provide government aggregation service. The expiration date for Certificate 04-088(1) was August 19, 2006.
- (2) Rule 4901:1-27-09(A), Ohio Administrative Code, provides that a governmental aggregator wishing to renew a certificate shall file a renewal application "[n]o less than thirty and no more than one hundred twenty days prior to the expiration date . . ."
- (3) On July 14, 2006, Crestline filed an application for renewal. The Commission issued Certificate No. 04-088(2), with an expiration date of August 19, 2008.
- (4) On August 8, 2008, Crestline filed a renewal application. On August 19, 2008, Crestline filed a motion for an extension of the expiration date of Certificate No. 04-088(2).
- (5) In its motion for an extension, Crestline states that, as a result of personnel changes and communication difficulties, it failed to file its renewal application within the required time frame. Crestline also states that failure to extend its certificate would prevent it from contracting for gas or supplying gas to its citizens.
- (6) The examiner believes that an extension of the expiration date of Certificate No. 04-088(2), is warranted, so that Crestline's aggregation participants will not be adversely affected while its renewal application is under consideration. The examiner also notes that Crestline did not specify a requested extension period and finds that an extension of that expiration date until September 8, 2008, would allow the Commission adequate time for review of the application.
