

Dear Sirs:

RECEIVED-DOCKETING DIV

I have lived at my current address for the past 5 years, 4 of them with my late mother, who passed away Christmas Eve of 2007. My mother had a budget program monthly fee of \$125. I understand the concepts involved in this program. As of January, her fee was going to be raised to \$174 based on our (mine & hers) usage. I called both Victor & Dominie and explained that I would be living in the house alone permanently and that I would be using far less gas than my mother (and I) did. I understand that there was a noticeable amount of fees built up as of January (see bills enclosed) that had to be paid off and that the \$174 was necessary to do so.

However, it was obvious (and still is) that I am using minimal amounts of gas per month (see bills) (as little as \$30 worth for at least 3 consecutive months) and am being charged \$174 per month.

I understand delivery fees, etc. but \$174 for \$30 worth of gas? For as many as 5 months?

The people who are perpetrating this extortion are common garden variety thieves & extortionists.

Because they dress a little better and have a formal education, we call them business men.

I sincerely hope that you would do everything in your power to help the common working ~~man~~ man control these cultures. We need as much assistance as possible from formal agencies such as yours.

Budget Payment Plan Review

We reviewed your budget account and found that your present monthly budget amount of \$117.00 has not been enough to cover your gas usage. Starting with the next bill, so that you can avoid a larger payment later, your budget amount will be increased to \$166.00.

We periodically review budget accounts to adjust any over- or underpayment.

Please call the local number listed at the top of this bill if you have any questions.
