PUBLIC UTILITIES COMMISSION OF OHIO

So Welcome!

I'm writing in regard to the

12% increase in our water that is
being requested by Ohio American Water -
Case # 07-1112 WS AIR.

I'm a Senior Engineer, Wisconsin and
don't want to afford more increase in
the water bills they don't think about the
Hudson, do they? At first I asked it
harder for the (last price, too)!
