ENTRY

The Commission finds:

- (1) On June 23, 2008, Summit County, Ohio (Summit County or complainant) filed a complaint against AT&T Ohio (AT&T). In its complaint, Summit County alleged that AT&T has provided poor customer service and is imposing unconscionable contract terms that do not comply with Ohio law. In addition, Summit County alleges that AT&T has failed to provide Internet access line services.
- (2) On July 14, 2008, counsel for AT&T notified the Commission that the parties agreed to stay the procedural requirements for a formal complaint case. Counsel explained that the parties were confident that the issues could be resolved without assistance from the Commission.
- (3) By letter filed August 18, 2008, counsel for Summit County informed the Commission that the parties have settled this matter. Summit County, therefore, requested that the complaint be dismissed.
- (4) Upon being advised that the issues raised by the complaint have been resolved, the Commission finds that the request to dismiss the complaint should be granted.
