## **EXHIBIT C**

Windstream Communications, Inc. has deleted all of the provisions from its Intrastate Long Distance Services Tariff and added a general MTSS reference pursuant to the Commission's September 26, 2007 Entry in Case No. 05-1102-TP-ORD as well as an explanation that residential and business long distance services have been detariffed, with direction to the customer to visit the website for rates and charges associated with these services.

The previous version of the Long Distance Tariff did not include any of the following provisions: Alternative Operator and Inmate Operator Services, late payment charges, bad check charges, primary interexchange carrier (PIC) change charges, intrastate special or switched special or switched access services provided to carriers, N-1-1 services, pole attachments or conduit occupancy, pay telephone services or telecommunications relay service. Therefore, such services are not included in Windstream's revised Long Distance Tariff.

The following services have been deleted from the tariff:

Definitions	Section 2	Pages 5 - 6
General Regulations	Section 3	3.3 - 3.15
Payment and Credit Regulations	Section 4	4.6 - 4.8
Rates for Service	Section 5	5.1 - 5.6
Specialized Services Rate and Regulations	Section 6	6.1 - 6.6
