FINDING AND ORDER

The Commission finds:

- (1) Dayton Power and Light Company (DP&L) and Duke Energy Ohio (DE-Ohio) are public utilities as defined in Section 4905.02, Revised Code, and, as such, are subject to the jurisdiction of this Commission.
- (2) On March 28, 2007, in Case No. 05-1500-EL-COI, the Commission directed all electric utilities to file, for Commission approval, revised tariffs that comport with the interconnection service requirements and rules set forth in the Commission's Finding and Order and newly adopted Chapter 4901:1-22 of the Ohio Administrative Code.
- (3) Pursuant to that directive, DP&L and DE-Ohio filed proposed modifications to their interconnection service tariff schedules in Case Nos. 07-1301-EL-ATA and 05-1500-EL-COI, respectively.
- (4) The Commission has reviewed DP&L's and DE-Ohio's applications to modify their interconnection service tariff schedules and finds the modified tariff provisions do not appear to be unjust and unreasonable. Therefore, we determine that the applications should be granted.
