JOINT MOTION FOR CONTINUANCE

The Transportation Staff of the Public Utilities Commission of Ohio and Respondent respectfully request that the date for the evidentiary hearing in this matter be continued. Hearing is presently scheduled to begin September 9, 2008. The Parties request that the hearing be continued until October 15, 2008.

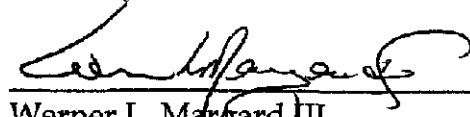

The Parties make this request pursuant to O.A.C. 4901-1-13(A) due to scheduling conflicts and family emergencies that make attendance impossible. In addition, the Parties believe that they can use the delay to conduct negotiations that may fully resolve this case by agreement.

Because the Parties make this motion jointly and no other party has sought to intervene, this continuance may be granted expeditiously pursuant to O.A.C. 4901-1-12(C). The Parties therefore specifically request that a continuance of the hearing date from September 9, 2008 to October 15, 2008 be granted expeditiously and without delay.
