SECTION 2 - RULES AND REGULATIONS7. PAYMENT ARRANGEMENTS (CONT.)

- .06 A special access surcharge, required by the Local Exchange Carrier, applies to each local channel termination associated with Channel Service and Foreign Exchange Service Capability. This surcharge is applicable when the local channel is connected to a PBX or equivalent device which is capable of interconnecting the Channel Service or Foreign Exchange Capability with local exchange service. The Company will cease billing the special access surcharge and the exempt status will become effective on the date certification is received by the Company on services in place. Refer to Section 1 for definition of Exemption Certification.
