Re: United Telephone Company of Ohio d/b/a Embark
 Case No. 07-484-TP-COI (Docket No. 90-5041-TP-TRF)

Dear Ms. Jenkins:

On September 16, 2008, Embark Local Operating Companies filed Transmittal No. 57, with the Federal Communications Commission. The revisions made to Tariff F.C.C. No. 1 will become effective October 1 2008. These revisions adjust end user common line charges as a result of the true up of the Regulatory Fee contribution factor. As a result of these changes, the Federal universal service fund (USF) end user charges are adjusted based on these new rates, at the contribution factor of 11.4%. In addition, Embark LOC made minor tariff language changes which provide clarification to existing regulations as they relate to the Federal USF end user charges and the customer's exemption from these charges. Customers are required to certify their Federal USF end user charge exemption status on an annual basis.
