PUCO

October 1, 2008

Attn.: Docketing Division

We are AEP users. We understand that costs go up . We understand about emission control costs. However, the rate hike of 15% per year for 3 years with more raises thereafter is EXCESSIVE !

We would hope that PUCO represents the citizens of Ohio against the excessive rise in rates. Please look at the request for the rate hike closely and protect us against it.
