Docketing Case No.:08-935-EL-SSO

Notes:

Recently I attended the PUCO hearing in Toledo. I vehemently oppose the proposed rate hike. I am also a small business owner who chose to locate my business over the line in Michigan, partially for the more economically feasible gas and electric rates. I do reside in Toledo and pay both the inflated Toledo Edison and Columbia rates. If First Energy's net profit is indeed almost 1 1/2 billion dollars, why do they need a rate hike? Please deny First Energy's request and keep businesses in Ohio.

Please docket the attached in the case number above.
