In reference to A.E.P.'s request
for a 45% rate increase - NO!

No doubt they need a slight
rate hike to off-set recent costs,
45% is too high!

If they are asking for 45% and
really would be happy with
10% - Shame on them!

If you, approve 45% - Shame
on you!

Things are tough for everyone.
Negotiated pay increases are in
the 4% range - NOT 45%!

Please consider how hard
things are for everyone right now.

Respectfully,
Dana R. Smith
