RE: American Electric Power

Dear Sirs/Madam:

During this tough economic climate, particularly in this hard-hit area of Ohio, rate increases pose greater hardships on those least able to pay for them. I am asking you to consider taking a hard look at a lesser figure or to even put it off for a year. Our per-capita income is flat lined and we in the City Administration are working hard to keep a lid on our spending and capital improvements.

Your consideration will be greatly appreciated.

Sincerely,

Thomas D. Orr,  
Mayor
