COMMENT DESCRIPTION:

Dear Sir/Madam: I would hope that you do not grant First Energy the parent company of Toledo Edison their request for an increase in price. Northwest Ohio pays one of the highest utility rates in the state. The zrea is suffering from some of the highest unemployment. This increase will only put an even heavier burden on the people of Northwest Ohio who are already struggling to keep their heads above bankruptcy. I thought we had been promised savings from First Energy once upon a time. Sincerely, Kathleen Wersell
