Docketing Case No.: 08-0935-el-sso

Notes:

I am appauled that you are even considering raising our electric rates this year. We are already cutting back on food, gas, and entertainment to make ends meet, but you want to raise rates of electricity. The company that can't even keep the lights on in a tiny rain storm. It's about time these monopolies tightened their belts and took a page from our book. DO NOT RAISE OUR RATES! We have had enough spending on our behalf.

Please docket the attached in the case number above.
