Docketing Case No.:08-0917-EL-SSO

Notes:

AEP wants a total of 45% rate increase over three year period. I suggest PUCO demand AEP to take the 45% increase from the following salaries! Michael Morris - \$19.66 MILLION (President) Susan Tomasky- \$4.45 MILLION (Executive President) Carl English-\$4.24 MILLION (COO) Robert Powers-\$3.41 MILLION (President of AEP utilities) Holly Koepfel-\$3.14 MILLION (Executive Vice President) Thomas Hogan- \$2.95 MILLION (Executive Vice President) The net income of AEP AFTER EXPENSES for 2007 \$1.09 BILLION! facts according to an article in Business First of Columbus Aug 29. (I believe these people make more money than the US President!) If the PUCO does not see the consumer needs relief from the abuse of corporate greed and agrees to this rate increase how will it justify it to the impoverished consumer? I do not want PUCO to contact me, I want PUCO to stop utility companies from continuing allowed abuse of consumers!
