COMPLAINT DESCRIPTION:

I started an online petition called "Say No to DP&L's Request for a Rate Increase". This is in regard to DP&L considering asking PUCO for a rate increase to cover the cost of the storm clean up. There are over 9000 signatures on it so far. It is still climbing everyday. We, the people of the Miami Valley do not think a rate increase is justified, so please do not let DP&L have a rate increase. Please go to <http://www.petitiononline.com/dpl/petition.html> to view the petition and read the comments of the people of the Miami Valley. Thank you,

David Kimmel
