Case # 08-935-EL-SSO
180 E. Broad Street
Columbus, OH 43215

PUCO

First Energy is making huge profits. They cannot justify a rate increase under these profit conditions.

In these times of rising costs on all fronts for consumers and as a retiree on fixed income I heartily object to energy companies demanding outrageous profits off the backs of consumers.

It is important for PUCO to just say NO!
