SECTION 2 - REGULATIONS, (CONT'D.)**2.26 Charges Associated with Premises Visit****2.26.1 Terms and Conditions**

The Customer may request an estimate or a firm bid before ordering wire installation work to be done. When an estimate is provided, the estimate is not binding on the Company and the charge to be billed will be based on the actual time and materials charges incurred. When a firm bid is provided at Customer request, the charge to be billed is the amount quoted to the Customer for the work requested.

Inside Wire charges apply per service call when billable premises work is performed on noncomplex premises wire and jacks. Residence and Business charges may differ. Such charges are due and payable when billed.

Noncomplex wire, jacks and materials include:

- 2 to 6 pair inside wire
- Faceplates
- RJ11C, RJ14C, RJ11W and RJ14W type station jacks
- Staples, screws, nail, tape, connectors, etc.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)

5.4 Operator Services, (Cont'd.)

5.4.5 Station to Station

Calls are completed with the assistance of an operator to a particular station. The call may be billed to the called party.

5.4.6 General Assistance

This service allows the Customer to request general information from the operator, such as dialing instructions, country or city codes, area code information and Customer Service 800 telephone numbers, but does not allow operator completion of the call.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)**5.6 Move and Change Charges**

The Customer will be assessed a nonrecurring charge for any move or change of a PRI Service. Move and Change Charges are defined as follows:

Move: The disconnection of existing equipment at one location and reconnection of the same equipment at a new location in the same building or in a different building on the same premises.

Change: Any revision, redesign or other provisioning change to existing services.

5.7 Restoration Charge

A restoration charge applies to the restoration of services and facilities suspended for any reason under the provisions of this Tariff.

5.8 Custom Calling Features (Not all features available in all markets)**5.8.1 Caller ID with Number Delivery**

This service permits the Customer to preview the number of an incoming call before the call is answered. Caller ID records the number, date and time of each incoming call. Caller ID requires the use of specialized Customer Premises Equipment (CPE) not provided by the Company. It is the Customer's responsibility to provide the necessary CPE.

5.8.2 Caller ID per Line Blocking

This service automatically prevents the display of the calling telephone number on all calls dialed from an exchange service equipped with this option. It is not necessary to dial an activation code prior to placing the call. Caller ID per Line Blocking is offered at no charge to the Customer.

5.8.3 Caller ID per Call Blocking

This service prevents the display of the calling telephone number on all calls dialed from an exchange service equipped with this option. It is necessary to dial an activation code prior to placing the call. Caller ID per Call Blocking is offered at no charge to the Customer.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)**5.9 Number Portability**

This service allows a Customer to retain a telephone number assigned by another certified local exchange carrier from whom the Customer previously received service. In compliance with Commission Rules, the Company provides this service at no charge to the Customer.

5.10 Listings**5.10.1 General**

The following rules apply to standard listings in light face type in the white pages (alphabetical section) of the telephone directory and to the Directory Assistance records of the Company.

Only information necessary to identify the Customer is included in these listings. Abbreviations may be used in listings as required. A listing may be rejected that is judged to be objectionable.

A name may be repeated in the white pages only when a different address or telephone number is used.

5.10.2 Composition of Listings**A. Name****1. Business Service**

The following names may be included in business service listings

- a. The name of Customer or joint user.
- b. The name of each business enterprise which the Customer or joint user conducts.
- c. The name by which the business of a Customer or joint user is known to the public.
- d. The name of any person associated with the Customer or joint user in the same business.
- e. The name of any person, firm or organization that the Customer or joint user is authorized to represent.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)

5.10 Listings, (Cont'd.)

5.10.2 Composition of Listings, (Cont'd.)

A. Name, (Cont'd.)

1. Business Service, (Cont'd.)

- f. Alternative spelling of an individual name or alternative arrangement of a business name, provided the listing, in the judgment of the Company, is not for advertising purposes. The name of a publication issued periodically by the Customer or joint user.
- g. The name of an inactive business organization in a cross reference listing when authorized by such business or organization.
- h. The name of a member of the Customer's domestic establishment when business service is furnished in the Customer's residence.
- i. The name of a corporation which is the parent or subsidiary of the Customer.
- k. The name of a resident of a hotel, apartment house, boarding house or club which is furnished PBX service, may be included in a residence type listing with the telephone number of the PBX service.
- l. The name of the Customer to a sharing arrangement.

B. Designation

The purpose of a business designation is to identify the listed party and not to advertise the business. No designation of the nature of the business is included if this is sufficiently indicated by the name. Where a listed party is engaged in more than one general line of business, one additional business designation may be included in the listing when necessary to identify the listed party. When a listed party has two or more listed telephone numbers or two or more business addresses, designations indicating the branches of the organization may be included where necessary to assist the public in calling.

A designation may include a title to indicate a listed party's official position, but not the name of the firm or corporation with which the individual is connected. Individual names or titles are not shown following the name of a firm or corporation.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)**5.10 Listings, (Cont'd.)****5.10.2 Composition of Listings, (Cont'd.)****B. Designation, (Cont'd.)**

A term such as "renting agent" may be included in a listing indented under the name of a building, provided the agent maintains a renting office in such a building.

A designation is not ordinarily provided in a residence type listing except for residential service as permitted under the terms of this tariff. A professional designation is permitted on residence service in the case of a physician, surgeon, dentist, osteopath, chiropractist, podiatrist, optometrist, chiropractor, physiotherapist, Christian Science practitioner, veterinary surgeon, registered nurse or licensed practical nurse, provided that the same name and designation is also listed on business service of that Customer or another Customer in the same or different directory.

The listing of service in the residence of a clergyman may include the designation "parsonage," "rectory," "parish house," or "manse," and any such listing may be indented under a listing in the name of the church. Where residence service is furnished in a church study, the listing may include the designation "study."

C. Address

Each listing may, but does not have to, include the street address where the telephone service is provided. Other information, such as a building name or a locality designation, may be included to help identify the Customer.

D. Telephone Number

Each listing may include only one telephone number, except in an alternate telephone number listing where each number listed is considered a line for rate purposes.

A listing may include only the telephone number of the first line of a PBX system or incoming service group, except that a trunk not included in the incoming service group of a PBX system, or the first trunk of a separate incoming service group of a PBX system may be listed to meet special conditions where a corporation and its subsidiaries use the same PBX system.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)

5.10 Listings, (Cont'd.)

5.10.3 Types of Listings

A. Main Listings:

1. Main Standard Listing

A main listing includes a name, designation, address and telephone number of the Customer. It appears in the White Pages of the telephone directory and in the Company's Directory Assistance records. The designation in the listing will be provided according to Section 5.9.2.B above.

2. Additional Main Listing

Customers may arrange for an additional main listing. An additional main listing is a main standard listing provided for a non-hunting extra-line or for the first line of each multi-hunt group.

B. Premium Listings

1. Additional Listings

Customers may arrange for additional listings, similar to the primary listing, at the additional listing rate. Listings may include abbreviated names, that are commonly spelled several ways, rearrangements of names and nicknames by which the Customer is commonly known. All names will be included in their proper alphabetical order. If the above additional listing does not readily identify the Customer, it shall be necessary to include a line of information stating "same as" or "see" and a reference to the name contained in the main listing at the Extra Listing Line Rate. Listings will not be accepted for the purpose of securing preferential publicity or position.

2. Extra Listing Lines

Lines of information acceptable to the Company may be arranged for at the rate shown in the schedule to appear in addition to a main listing for the purpose of facilitating use of the service.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)**5.10 Listings, (Cont'd.)****5.10.3 Types of Listings, (Cont'd.)****B. Premium Listings, (Cont'd.)****4. Alternate Call Listings**

Any listed party who has made the necessary arrangements for receiving telephone calls during his or her absence may have an alternate telephone number listing or a night listing. Such listing may be furnished as an indented listing or as a sub-caption.

The telephone number in such a listing may be that of another service furnished to the same Customer, or of one of the Customer's PBX trunks not included in the incoming service group, or of a service furnished to a different Customer.

5. Alternate User Listings

An Alternate User Listing may be furnished when it is necessary to refer the directory user to an alternate listing when there are joint users of the same telephone number.

6. Cross Reference Listings

A Cross Reference Listing may be furnished in the same alphabetical group with the related listing when it is necessary to refer to the directory user to another directory listing.

7. Suite Listing

A Suite Listing allows the Customer to add its office or suite number to a Main or Additional directory listing. A Suite Listing may not be purchased as a standalone listing.

C. Move / Change, Late Charge

There is a one-time nonrecurring charge for each request to move or change a listing. If the request is received after the directory publisher's deadline for such changes, an additional late charge will apply.

SECTION 5 - NETWORK SERVICES DESCRIPTIONS, (CONT'D.)**5.11 Emergency Services Calling Plan**

The Company's Emergency Services Calling Plan provides access (at no additional charge) to emergency services by dialing 0 - or 9-1-1.

Message toll telephone calls, to governmental emergency service agencies, having primary or principal responsibility with respect to the provision of emergency services to person and property in the area from which the call is made, meeting the definition and criteria of an emergency call is offered at no charge to Customers:

Governmental fire fighting, Ohio State Highway Patrol, police, and emergency squad service (as designated by the appropriate governmental agency) qualify as governmental emergency service agencies provided they answer emergency service calls on a personally attended (live) twenty-four (24) hour basis, three hundred sixty-five (365) days a year, including holidays.

An emergency is an occurrence or set of circumstances in which conditions pose immediate threat to human life, property, or both and necessitate that prompt action be taken. An emergency call is an originated call of short duration to a governmental emergency services agency in order to seek assistance for such an emergency.

5.12 Supplemental Features

The following features may be purchased for use with the Company's Trunk, PRI and Voice T-1 Services. Features are available as equipment and facilities permit.

5.12.1 Calling Number Delivery

This feature allows the display of the calling party's number on the End User's station equipment.

5.13 Individual Telephone Numbers Service

Customers may order Individual Telephone Numbers Service for use with Inward and Two-Way Trunks and PRI Services. This enables a PBX to route an incoming call directly to an extension number without the need for an attendant. Use of Individual Telephone Numbers Service may require PBX software not provided by the Company. The first telephone number per trunk group is provided at no charge.

The Company will handle requests for large quantities of numbers (i.e., more than 100) on an individual case basis.
