RE: Case # 08-935-EL-SSO (Electric Security Plan) and  
08-936-EL-SSO (Market Rate Option)

To Whom It May Concern:

As Mayor of the Village of Walton Hills, which is a member of the Northeast Ohio Public Energy Council (NOPEC), I am requesting your assistance in ensuring that the following issues are successfully addressed:

1. First Energy Solutions continues the NOPEC generation discount after January 1, 2009 until a new NOPEC generation supply can start;
2. The PUCO adopts NOPEC's recommendations in the First Energy Electric Security Plan case to eliminate the 1 cent / kwh rider for NOPEC customers and to eliminate or establish a credit for NOPEC customers for the proposed generation deferral to allow for NOPEC to provide generation to our residents starting next year; and
3. Prevent First Energy from making excessive profits at the expense of economically challenged, hard-working Ohioans.

Any assistance you can provide would be greatly appreciated. In these tough economic times, Ohioans simply cannot afford to award even higher record profits to First Energy.

Warm personal regards,

*Marlene B. Anielski*
