Doylestown, Ohio

EXHIBIT C

With this application Doylestown Telephone Company ("Doylestown") makes a correction to its intrastate access service tariff. In its Entry of July 7, 1999 in Case No. 97-632-TP-COI, the Commission permitted Doylestown and other small local exchange carriers to continue to assess intrastate access charges set equal to December 1997 levels until further notice. Doylestown's intrastate access tariff reflected this exception to its concurrence in the ICORE, Inc. Access Service Tariff, F.C.C. No. 1 effective December 30, 1997 (see Exhibit D attached hereto).

In 2003, Doylestown filed a tariff application (Case No. 03-2066-TP-ATA), the purpose of which was a) to update interstate tariff references from the ICORE tariff to NECA Tariff F.C.C. No. 5 in which Doylestown then concurred, and b) to add the terms and conditions for Carrier Common Line Access Service to its intrastate access service in place of provisions eliminated from the NECA tariff. Due to an inadvertent clerical error, the following text was omitted from one of the revised pages in the 2003 tariff application: "Except that local switched access rates applied to the intrastate jurisdiction shall remain at the levels existing on December 31, 1997." This language from Doylestown's predecessor intrastate access tariff should have been retained under applicable commission orders in Case No. 97-632-TP-COI.

Doylestown did not request authorization to change its intrastate access charge rates in Case No. 03-2066-TP-ATA nor is it changing rates at this point in time. Doylestown is merely correcting a clerical error.

EXHIBIT D

2. Sections of the ICORE, Inc. Access Service Tariff, F.C.C. No. 1 to be concurred in are as follows:
- a. Section 6.10.3 and 17.14.2 Switched Access Service
Except that local switched access rates applied to the intrastate jurisdiction shall remain at the levels existing on December 31, 1997.
 - b. Section 17.14.3 Special Access Service
 - c. Section 17.14.4 Other Services
3. The Company concurs in Section 3, Carrier Common Line Access Service, of the NECA Access Service Tariff, F.C.C. No. 1, provided that the Carrier Common Line Charges applied to the intrastate jurisdiction shall be as follows:*
- | | | |
|--|---|---------------------|
| Originating Carrier Common Line Charge | - | .0150 (Premium) |
| | - | .0065 (Non-Premium) |
| Terminating Carrier Common Line Charge | - | .0428 (Premium) |
| | - | .0190 (Non-Premium) |
- *Pursuant to the May 22, 1997 entry of the Public Utilities Commission of Ohio in Case No. 96-1310-TP-COI, these rates are effective retroactively to April 15, 1997.
4. Interexchange billing and collection services, except for recording service, are deregulated. Recording services, other than billing name and address services, while subject to regulation by the Public Utilities Commission of Ohio, are detariffed effective January 1, 1988. Upon conversion of an end office to equal access, billing name and address information for non-presubscribed traffic shall be provided to interexchange carriers upon rates, terms and conditions to be filed with this commission.
