To: Whom This Concerns At: POCKET/NC DEPT.
PUCO, Case # 208-918-EL-SSO

I am writing to let you know that my Husband David and myself, (Jeanie) are against the American Electric Power Company getting a 52 percent increase in their price Rate in Stark County. We are sick at the very thought of such an outrageous amount, especially now when unemployment is at a all time HIGHEST EVER, No JOBS, & we're Senior Citizens and can't even retire now, just to try and live right now. The Gas Bills are terrible and now the Electric Company certainly is NOT thinking of the struggling Customers. Thank you for listening, and I pray someone in Authority takes on Leadership over this matter and stops it Head on.

Thank you and
God Bless You

Sincerely
David and Jeanie Barth
