Docketing Case No.: 08-0918-EL-SSO

Notes:

The proposed rate increase of 15% for the next three years by AEP Ohio is outrageous. This is criminal to families and businesses alike. Stark county citizens and companies will suffer dramatically when resources in a bad economy are so limited. I oppose this as do many of our friends and the PUCO should seriously reconsider what this will mean to so many. AEP is taking flagrant advantage
Thank You-John W. Greene
