Dear Sirs:

This letter is in reference to AEP Ohio asking for a horrific raise in rate of 15% for three years .

1. They should have put money aside for repair and replacement.
2. According to reports in the papers and on TV, AEP Ohio has not kept up with repair and replacement.
3. Does not AEP Ohio have insurance for wind damage?
4. With their profits, AEP Ohio does not need a 15% rate increase for three years.
5. A rate increase of four percent for two years would be a reasonable one, not a "greedy" one.

Sincerely,

Roman Majerczak
