**Re: Docket No. 08-1094-EL-SS0**

To Whom It May Concern:

On behalf of the West Carrollton School District, I would like to express our gratitude and appreciation to The Dayton Power and Light Company (DP&L) for their continued support of and dedication to our communities. They have been and continue to be an active partner in the Greater Dayton Conference on Youth, which focuses on creating great kids and great communities across the region. This conference continues to make a significant, positive impact on our communities. DP&L employees also provide an electric safety program, "Think Hot! Stay Safe!", for elementary students throughout the region. In addition to supporting community projects financially, their employees volunteer many hours serving on various boards and committees throughout the Dayton area.

The Dayton Power and Light Company is committed to the growth and progress of our communities, and we are proud to be associated with an organization that "steps up to the plate" whenever a need arises. We are so very fortunate to have such a civic-minded, philanthropic, progressive-thinking company serving our families, communities, and region.

Sincerely,

Rusty Clifford, Ph.D.  
Superintendent
