To Whom It May Concern;

Over the past several years DP&L has enthusiastically participated with many community projects throughout the Miami Valley area. To name a few DP&L has sponsored tables for College Scholarship fundraisers. These funds are used to help youth in the Miami Valley area be able to attend college. Without the scholarship funds many of those youth would not have been able to attend college. DP&L has rallied in the support of the project to renew the City of Trotwood by donating funds to the Trotwood Chamber of Commerce. DP&L supports Daybreak an Emergency shelter for youth ages 10-17 where counseling, food and independent living is provided so they may have a safe place. There are many other ways that we have not mentioned that DP&L and their dedicated personnel like Ginny Strausburg have showed their dedication and support to Dayton and surrounding communities.

It is without reservation that we are proud to say that DP&L is committed to the Miami Valley Community and we are fortunate to have them as part of our community.

Sincerely,

Raymond and Dora Garner
