RE: Case No. 08-1247-EL-CSS

Dear Ms. Bojko:

AEP/Ohio Power has once again defied the Good Hope Township Moratorium effective 11/13/08 by erecting electric lines within a Good Hope Township road right-of-way on Donaldson Road on 12/18/08, without even as much as first contacting the Good Hope Township Trustees and discussing the matter, let alone abide by the moratorium in regard to written consent.

Ζ

It is quite apparent they have no intention of ever complying with any local laws and they have total disregard for any residents of Good Hope Township, Hocking County, Ohio by doing so.

They just come in and do whatever they want, however they want and nobody tells them what to do or how to do it.

Please schedule a hearing as soon as possible in regard to our complaints against AEP/Ohio Power.
