RE: Case # 08-935-EL-SSO (Electric Security Plan) Case # 08-936-EL-SSO (Market Rate Option)

We are writing to you on a matter of great concern to all electricity consumers in Northeast Ohio. On December 8, 2008 Sagamore Hills Township unanimously adopted the attached Resolution 65-08 requesting that FirstEnergy continue the NOPEC generation discount after January 1, 2009 until a new NOPEC generation supply can start.

We are also requesting PUCO adopt NOPEC's recommendations in the FE ESP case to eliminate the 1 cent/KWH rider for NOPEC customers and to eliminate or establish a credit for NOPEC customers for the proposed generation deferral to allow for NOPEC to provide generation to our residents starting next year and to prevent FirstEnergy from making excessive profits at the expense of economically challenged hard working Ohioans.

We respectfully urge that you consider this request.

Sincerely,

SAGAMORE HILLS TOWNSHIP BOARD OF TRUSTEES
