Re: In the Matter of the Application of Ohio Edison Company, The Cleveland Electric Illuminating Company, and the Toledo Edison Company for Authority to Establish a Standard Service Offer Pursuant to Section 4928.143, Revised Code, in the Form of an Electric Security Plan  
Case No. 08-935-EL-SSO

**Dear Ms. Jenkins:**

Citizen Power agrees with the reasoning of the Ohio Consumer and Environmental Advocates' Motion to Reject Applicants' Rate Filings Under the Default Provisions for Standard Service Offers Pursuant to R.C. Chapter 4928 and Motion for a Commission Order Directing Applicants to Submit Tariffs Consistent with the Default Provisions. Therefore, we would like to indicate our support for these Motions.

Please file this letter in the docket for Case No. 08-935-EL-SSO.

Sincerely,

Frank D. Baker
