Construction Notice
Bayshore-Maclean-Lemoyne 138 kV Transmission Line
Reconductoring Project
Case No. 08-1028-EL-BNR

Dear Mr. Lambeck,

In the above mentioned case, a typographical error occurred in the Construction Start Letter dated December 15, 2008.

The typographical error that occurred in the Construction Start Letter inadvertently stated that "The start of construction originally was estimated to occur on February 1, 2008. I have been informed the start of construction will begin on January 2, 2008. In accordance with Ohio Administrative Code § 4906-5-02(A)(5), please be advised that construction on this project will begin on January 2, 2008."

It should read "The start of construction originally was estimated to occur on February 1, 2009. I have been informed the start of construction will begin on January 2, 2009. In accordance with Ohio Administrative Code § 4906-5-02(A)(5), please be advised that construction on this project will begin on January 2, 2009."

If there are any questions concerning this matter, please contact me at (330) 384-2526.

Sincerely,
