Alan R. Schriber, PUCO Chairperson
180 East Broad Street
Columbus, OH 43215

Dear Mr. Schriber,

On behalf of the Village of Smithville and its residents, I wish to lodge an objection to the proposed AEP 15% rate increase over the next three years. This change will add over \$2.00 per month to our utility accounts for electric power alone.

A lot of our residents are on fixed incomes and a 15% increase over the next three years will add significant expense to their home utility bills. I also have residents concerned about the reduced reliability of our service which make a proposed rate increase hard to swallow.

Please take this into consideration as you debate a rate increase for this utility. Thank you for your consideration in this matter.

Respectfully,

Allen D. Snyder
Mayor
