COMPLAINT DESCRIPTION:

Please file this as a complaint against the recently enacted rate hikes for First Energy. People are out of work and more are joining their ranks on a daily basis, the entire economy is in downward spiral and you allow a utility company to raise rates? How about all utility companies and the PUCO lay off all their executives or cut their pay by about 95%? We are sick and tired of funding these out of control corporations and we rely on things like the PUCO to police them!!
