COMMENT DESCRIPTION:

I'm writing in regards to the rate increase that American Electric Power is asking for PLEASE DO NOT ALLOW them to have this rate increase. I'm disabled and I don't receive a cost of living raise at anytime and I've been disabled since 1986.. My wife works thirty hours per week to have medical insurance which the preiums on insurance is very costly along with money being taken out of her pay to put in an H.S.A. account. My wife and myself have had major medical problems the last couple of years and 2009 isn't looking any better for us.My family has been cutting everything we can possibly cut just to stay a float financially. It is becomming harder and harder. This increase would just add another burden to our finances. PLEASE DO NOT ALLOW THIS INCREASE FOR AMERICAN ELECTRIC POWER.

Sincerely, James and Carolyn Songer 1692 Fairview Rd. Galion, Ohio 44833
