COMMENT DESCRIPTION:

I strongly object to AEP's request of 15% raises each year for the next three years. This is the WRONG time to ask for an increase THIS LARGE! People are out of work or taking pay cuts to keep their jobs and cannot afford any increase at this time. AEP should do like any business and reduce their expenditures rather than increase their fees. This could cause many to go without electric or cut down on groceries. THIS SHOULD BE DENIED!
