Tariff No. 1 all materials relating to services which have been detariffed by the PUCO, retaining only such information as is necessary to provide information concerning services which have not been detariffed, and to continue to provide consumer protection information.

Pursuant to previous discussions with PUCO Staff, Quasar's revised tariff pages bear an issued and an effective date of March 1, 2009, i.e., the date specified in NCT's notice to customers of the effectiveness of this detariffing filing.

TARIFF FORMAT

- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the sheet. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each sheet. These numbers are used to determine the most current sheet version on file with the PUCO. For example, 4th Revised Sheet 14 cancels the 3rd Revised Sheet 14. Because of various suspension periods, deferrals, etc. the PUCO follows in its tariff approval process, the most current sheet number on file with the PUCO is not always the tariff sheet in effect. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

2.
2.1
2.1.1.
2.1.1.A.
2.1.1.A.1.

TARIFF FORMAT (Cont'd)

- D. Check Sheets - When a tariff filing is made with the PUCO, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on the Check Sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The tariff user should refer to the latest Check Sheet to find out if a particular sheet is the most current on file with the PUCO.

**Narrative Summarizing All Changes Proposed by
New Century Telecom, Inc.
In Compliance with PUCO Opinion and Order
in Case No. 06-1345-TP-ORD**

PUCO Opinion and Order in Case No. 06-1345-TP-ORD provides that even within the P.U.C.O.'s mandatory detariffing environment, carriers must retain tariffs for the following Tier 1 services:

"local dial tone service; touch tone dialing service; access to and usage of 9-1-1 services; access to operator services and directory assistance; provision of a telephone directory and listing; per call, caller identification blocking services, access to telecommunications relay service, access to toll presubscription, interexchange or toll providers and networks of other companies (i.e., Basic Local Exchange Services).

Additionally, a tariff must continue to be maintained

"for purposes of complying with Commission and/or Federal Communications (FCC) directives including, but not limited to: primary interexchange carrier (PIC) change charges, Alternative Operator and Inmate Operator Services (AOS/IOS); late payment and bad check charges, per call and per line blocking; intrastate special and switched access services provided to carriers; N-1-1 service; pole attachments and conduit occupancy; pay telephone service; and telecommunications relay service."

New Century Telecom, Inc. ("NCT") does not provide local telecommunications services in Ohio. However, the Company has undertaken a review of the provisions embodied in the Company's P.U.C.O. Tariff No. 1, which sets forth the rates, terms and conditions of service associated with the Company's toll telecommunications service offering in the State of Ohio.

Set forth at Exhibit A hereto are pages from NCT's P.U.C.O. Tariff No. 1 which will be affected by the Company's compliance with the dictates of the PUCO's Opinion and Order. Set forth at Exhibit B hereto is the text of P.U.C.O. Tariff No. 1 which will remain on file with the PUCO following the effectiveness of the Company's mandatory detariffing filing.

To the extent the provisions previously set forth in P.U.C.O. Tariff No. 1 have not been superceded by PUCO rules, these rates, terms and conditions of service will continue to apply to NCT's Ohio telecommunications service offerings.
