TRF Docket No. 90-6372

SUPPLEMENT TO STI PREPAID, LLC REQUEST FOR WAVIER

STi Prepaid, LLC ("STi Prepaid"), by its attorneys, respectfully submits this Supplement to its Request for Waiver of Rule 4901:1-6-5(G)(1), O.A.C. ("Detariffing Rule") filed on September 11, 2008 in the above-referenced matters. In its Request for Waiver, STi Prepaid sought a waiver of the Detariffing Rule in order to file a tariff for casual calling or 10-10 dial-around services. STi Prepaid provides the following additional information in support of its Request for Waiver: At this time, STi Prepaid is not always able to identify casual callers at the time the call is made. Nor is STi Prepaid able to route such calls to an announcement where billing rates, terms, and conditions would be provided. Accordingly, allowing STi Prepaid to maintain the portions of its tariff relating to casual calling is the simplest and most efficient means of establishing a contractual relationship between STi Prepaid and casual callers, and is consistent with the waivers granted to various AT&T and Verizon affiliates in connection with their casual calling services.

Respectfully submitted,

STI PREPAID, LLC
