Sir:

This month I generated
1733 K.W. + they
show a much different
loading. To me +
other wind mill people
T.E. is ripping us
off! Maybe the
meter is only good
for Toledo Edison?
(over)

I think we should
have a meeting out
here at Lindsey,
Ohio. Like we did
before. Columbus is to
for all the wind
mill people.
For what we pay for
the wind mill to generate
our own Electricity we
are not being treated
Right! J. J. Lemke
