Case No. 08-935-EL-SSO

**MEMORANDUM IN SUPPORT OF
MOTION TO INTERVENE OF
FIRSTENERGY SOLUTIONS CORP.**

FirstEnergy Solutions Corp. (Solutions) satisfies the criteria for intervention as a party in this proceeding. The Commission therefore should grant Solutions' motion to intervene as a party in this proceeding.

The criteria for intervention in a proceeding are that the party:

- has a real and substantial interest in the proceeding;¹
- has interests that will, as a practical matter, be affected by the Commission's disposition of the proceeding;²
- demonstrate that grant of its intervention will not prolong or delay proceeding unduly;³
- demonstrate that its participation will contribute significantly to full development and equitable resolution of the factual issues that are in play in the proceeding;⁴ and
- demonstrate that its interests are not represented by any other party to the proceeding.⁵

¹ OAC § 4901-1-11(A)(2).

² *Id.*

³ OAC, § 4901-1-11(B).

⁴ *Id.*

⁵ OAC, § 4901-1-11(B).

Solutions has a real and substantial interest in this proceeding. Specifically, this proceeding concerns, among other things, the Applicants' procurement of wholesale electric energy and capacity supply. Solutions owns and controls the electric output of significant electric generating resources that are located so as to provide generation supply in the Applicants' service territories. As such, Solutions may participate as a wholesale energy supplier in the Applicants' procurement processes. Accordingly, Solutions has a real and substantial interest in this proceeding. Furthermore, because the Commission's actions in this proceeding will address the structure and scope of the Applicants' wholesale energy procurement processes, the Commission's disposition of this proceeding may as a practical matter, affect Solutions' potential participation in the Applicants' wholesale energy procurement processes.

Solutions is willing to accept the record as it exists as of the date that this intervention is granted. Consequently, authorizing Solutions to intervene in this proceeding will not delay or unduly prolong this proceeding. In addition, Solutions has significant experience with supply of wholesale electric energy products, which means that Solutions is in a position to contribute significantly to the factual development of the record. Moreover, Solutions has significant experience with participating in regulatory proceedings, and therefore understands and accepts its responsibility to contribute to the equitable resolution of this proceeding.

No other parties are situated similarly to Solutions and Solutions' interests are not represented by any other parties to this proceeding. Accordingly, Solutions is the only entity that can represent adequately its interests in this proceeding.

To the extent that the Commission were to deem Solutions' intervention as untimely, grant of party status to Solutions is compelled by the following extraordinary circumstances.⁶

In an entry dated January 29, 2009, the Commission directed Staff to develop and circulate a proposal to establish an electric security plan for the Applicants.⁷ This plan is to address, among other issues, the terms and conditions that will control for the Applicants' wholesale power purchases. In the same entry, the Commission signaled its intention that the parties proceed on an "aggressive schedule" toward a possible agreement.⁸ This guidance suggests that the parties would work expeditiously toward an agreement that, if adopted by the Commission, will establish the terms and conditions that will control for the Applicants' wholesale power purchases. This recent development - expedited negotiations toward agreement and its further consideration by the Commission that will directly affect Solutions' interests - is an extraordinary circumstance that justifies grant of party status to Solutions in this proceeding. Furthermore, inasmuch as Solutions is willing to accept the record as it now exists in this proceeding, no party will be prejudiced by grant of party status to Solutions. Accordingly, grant of party status is warranted.

⁶ See OAC, § 4901-1-11(F).

⁷ PUCO Case No. 08-935-EL-SSO, *supra*, Entry, at ¶ 11 (January 29, 2009).

⁸ See *id.*, at ¶¶ 12, 13.

WHEREFORE, as demonstrated above, Solutions satisfies the criteria for intervention and party status in this proceeding. Accordingly, the Commission should grant Solutions' motion to intervene as a party in this proceeding.
